October 30, 2026

Annual Statement to Beneficiaries

This statement summarizes the activity of the trust for the year ending September 30, 2026. It is sent to every current beneficiary and to the co-trustees named in the trust instrument. Please keep it with your records.

During the year the trust received rental income from two residential properties and interest from a money market account. Distributions were made quarterly in accordance with the schedule approved at the last annual meeting.

The trustees met four times during the year. Minutes of each meeting are available on request. No amendments to the trust instrument were adopted, and no new beneficiaries were added.

Property taxes for both residential properties were paid in full before the due date. The roof of the property on Linden Street was replaced in June after an inspection found water damage in the attic.

Insurance coverage was reviewed in August. The trustees increased the liability limit on both properties after comparing quotes from three carriers. The new premium is reflected in the expenses for the fourth quarter.

Questions Raised at the Annual Meeting

Insurance coverage was reviewed in August. The trustees increased the liability limit on both properties after comparing quotes from three carriers. The new premium is reflected in the expenses for the fourth quarter.

Property taxes for both residential properties were paid in full before the due date. The roof of the property on Linden Street was replaced in June after an inspection found water damage in the attic.

The trustees met four times during the year. Minutes of each meeting are available on request. No amendments to the trust instrument were adopted, and no new beneficiaries were added.

Next Steps

The trustees will mail the next quarterly distribution on January 15, 2027. Beneficiaries who have changed their mailing address or bank details should write to the trust office before December 31 so the change can be verified in time.

A copy of the full accounting, prepared by the trust's outside accountant, will be available at the office after February 1. Beneficiaries may request a copy by mail or pick one up in person during office hours.

For the Trustees,

Morgan Ellery
Co-Trustee
