RE: Parking lot resurfacing

The parking lot will be resurfaced over the weekend of November 21. The work requires the lot to be completely empty, so please plan ahead.

- Move every vehicle out of the lot by 6:00 PM on Friday, November 20.
- Do not return before 7:00 AM on Monday, November 23.
- Street parking on Cedar Avenue is free on weekends.
- Visitors with an appointment that weekend should be told to use the garage on Fifth Street.

Thank you for your patience while the work is done.
